

TRIAGE HEALTH

What's Legal About Health?

A lot. From whether a treatment is approved, to whether an insurance company must cover that treatment, to whether you can take time off work to get that treatment and not lose your job.

Understanding your rights and options can help you get access to the care that you need.

Our Programs:

- ✓ Educational Materials
- ✓ Animated Videos
- ✓ Educational Events
- ✓ My Healthcare Finances
- ✓ Legal & Financial Navigation

Triage Health provides free education on legal and practical issues to help you navigate health care.

TriageHealth.org

Triage Health is a program of Triage Cancer®
